8. Item 8 of the agenda

Election of ten members of the Supervisory Board

The Supervisory Board mandates of all members of the Supervisory Board elected by the Annual General Meeting expire as of the end of the 24th Annual General Meeting on 6 June 2023, as the end of the term of office for which they were elected by the Annual General Meeting has been reached.

The Supervisory Board presently consists of ten members elected by the Annual General Meeting. The number of members elected by the Annual General Meeting is to remain unchanged. On account of the expiry of the Supervisory Board mandates of all members of the Supervisory Board currently elected by the Annual General Meeting, ten members of the Supervisory Board have to be elected in order to again attain the number of ten members of the Supervisory Board elected by the Annual General Meeting.

Pursuant to section 86 (7) of the Stock Corporation Act, the supervisory board of a listed company has to comprise at least 30% women and at least 30% men, if the supervisory board consists of at least six capital representatives and the workforce consists of least 20% employees. These prerequisites are met by UNIQA Insurance Group AG. Based on its current composition, the Supervisory Board of UNIQA AG has to comprise at least five women and at least five men (calculated on the basis of fifteen Supervisory Board members, i.e. ten capital representatives and five employee representatives) in order to meet the minimum quotas required pursuant to section 86 (7) of the Stock Corporation Act. In this election to the Supervisory Board, the minimum quotas of women and men on the Supervisory Board must be met in their entirety. An objection to full compliance with the minimum quotas pursuant to Section 87 (9) of the Stock Corporation Act was not expressed. At present, the minimum quotas are fulfilled. The Supervisory Board of the Company comprises five women and ten men. The ten candidates proposed for election to the Supervisory Board at the 24th Annual General Meeting will comprise three women and seven men. The composition of the women and men delegated to the Supervisory Board as employee representatives remains unchanged. In the event of election of the candidates proposed to the Supervisory Board, the Supervisory Board of UNIQA Insurance Group AG would consist of five women and ten men, thus comprising at least 30% each of women and men.

The candidates for election to the Supervisory Board are proposed in compliance with the requirements of the Corporate Governance Code. The principles set out in section 87 (2a) of the Stock Corporation Act, in particular the requirements of professional and personal qualification, a balanced composition of the Supervisory Board in terms of expertise represented, diversity, internationality and a clean criminal record, have been complied with.

All the candidates proposed for election (see below) submitted the declarations required pursuant to section 87 (2) of the Stock Corporation Act, listing their professional qualifications as well as professional or similar positions held and stating that there are no circumstances that might give rise to a concern of bias. The respective declarations pursuant to section 87 (2) of the Stock Corporation Act herewith referred to have been published on the website of the Company and are annexed to this proposed resolution (proposal for election) as Enclosure ./.2.

Furthermore, the candidates confirmed their knowledge of the provisions of the Austrian Stock Exchange Act, the Market Abuse Regulation (Regulation (EU) No 596/2014) and UNIQA's internal compliance policy to prevent market abuse, and stated their willingness to comply with the principles of the Corporate Governance Code acknowledged by the Company. In line with the criteria of independence laid down by the Supervisory Board, the candidates proposed declared to be independent. Ms. Anna Maria D'Hulster and Ms. Jutta Kath meet the criteria of Rule 54 of the Corporate Governance Code for companies with a free float of more than 20%. The CVs of the candidates proposed have been published on the website of the Company.

The Annual General Meeting is bound by the proposal for election on the basis of the provisions referred to in the following. Candidates proposed by the Supervisory Board for election to the Supervisory Board, including their declarations pursuant to section 87 (2) of the Stock Corporation Act, must be published and made accessible on the website of the Company on or before the 21st day prior the Annual General Meeting, i.e. no later than 16 May 2023. Candidacies proposed by shareholders pursuant to section 110 of the Stock Corporation Act, which must be received by the Company in text form no later than 30 May 2023, including the declarations pursuant to section 87 (2) of the Stock Corporation Act for each person proposed, have to be published on the Company's website no later than two working days after receipt (with the exceptions provided for in section 110 (4) of the Stock Corporation Act). Pursuant to section 87 (6) of the Stock Corporation Act, candidacies for election to the Supervisory Board, including their declarations pursuant to section 87 (2) of the Stock Corporation Act for each person proposed, have to be published on the Company's website no later than on the fifth working day before the Annual General Meeting, failing which the person(s) concerned must not be included in the vote. Further details and the prerequisites for such candidacies proposed by shareholders to be taken into account pursuant to section 110 of the Stock Corporation Act are contained in the convocation to the 24th Annual General Meeting (reference to shareholder rights pursuant to section 106 (5) of the Stock Corporation Act) and the document on *Further information on shareholder rights pursuant to Sections 109, 110, 118 and 119 of the Stock Corporation Act*.

Pursuant to section 108 (1) and (2) of the Stock Corporation Act and considering section 86 (7) and (9) and section 87 (2) and (2a) of the Stock Corporation Act, the Supervisory Board of the Company proposes that the Annual General Meeting adopt the following resolution:
