Premium growth: business segments

- The premium volume written in property and casualty insurance grew by 3.6% to €1,353m
 - Premiums in Austria increased by 1.8% to €812m
 - Premium volume in CEE grew substantially by 4.2% to €456m
- The premium volume written in health insurance increased by 3.7% to €457m
 - In Austria, the premium volume grew by 2.7% to €422m
 - Internationally, premiums grew substantially by 17.6% to €35m
- In life insurance, the premium volume written decreased by 11.3% to €1,047m
 - Intentional decline in single premium business in Poland and also reduction in Italy due to the generally difficult economic situation
 - Strategy to focus on life insurance products that are more profitable in the long term and are at the same time optimised from a risk and capital perspective

Premiums by business segment (H1 2012 vs H1 2011) (€m)

Recurring premiums: €2,583m (+0.8%)

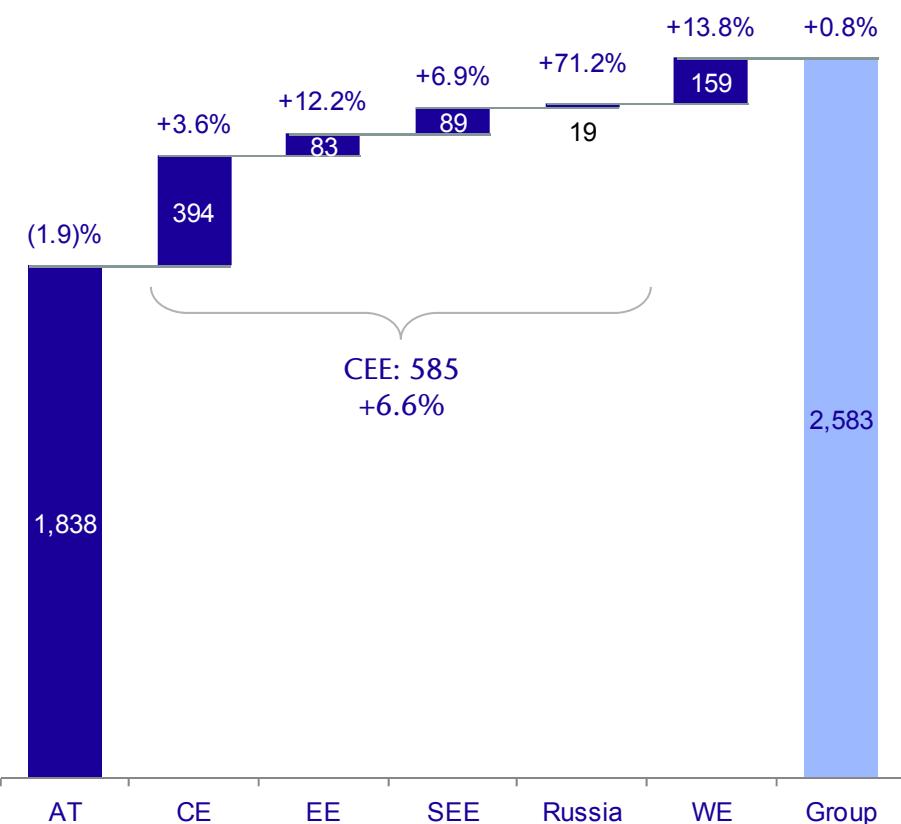

Note: Premiums written incl. the savings portion of premiums from unit- and index-linked life insurance

Premium growth: regions

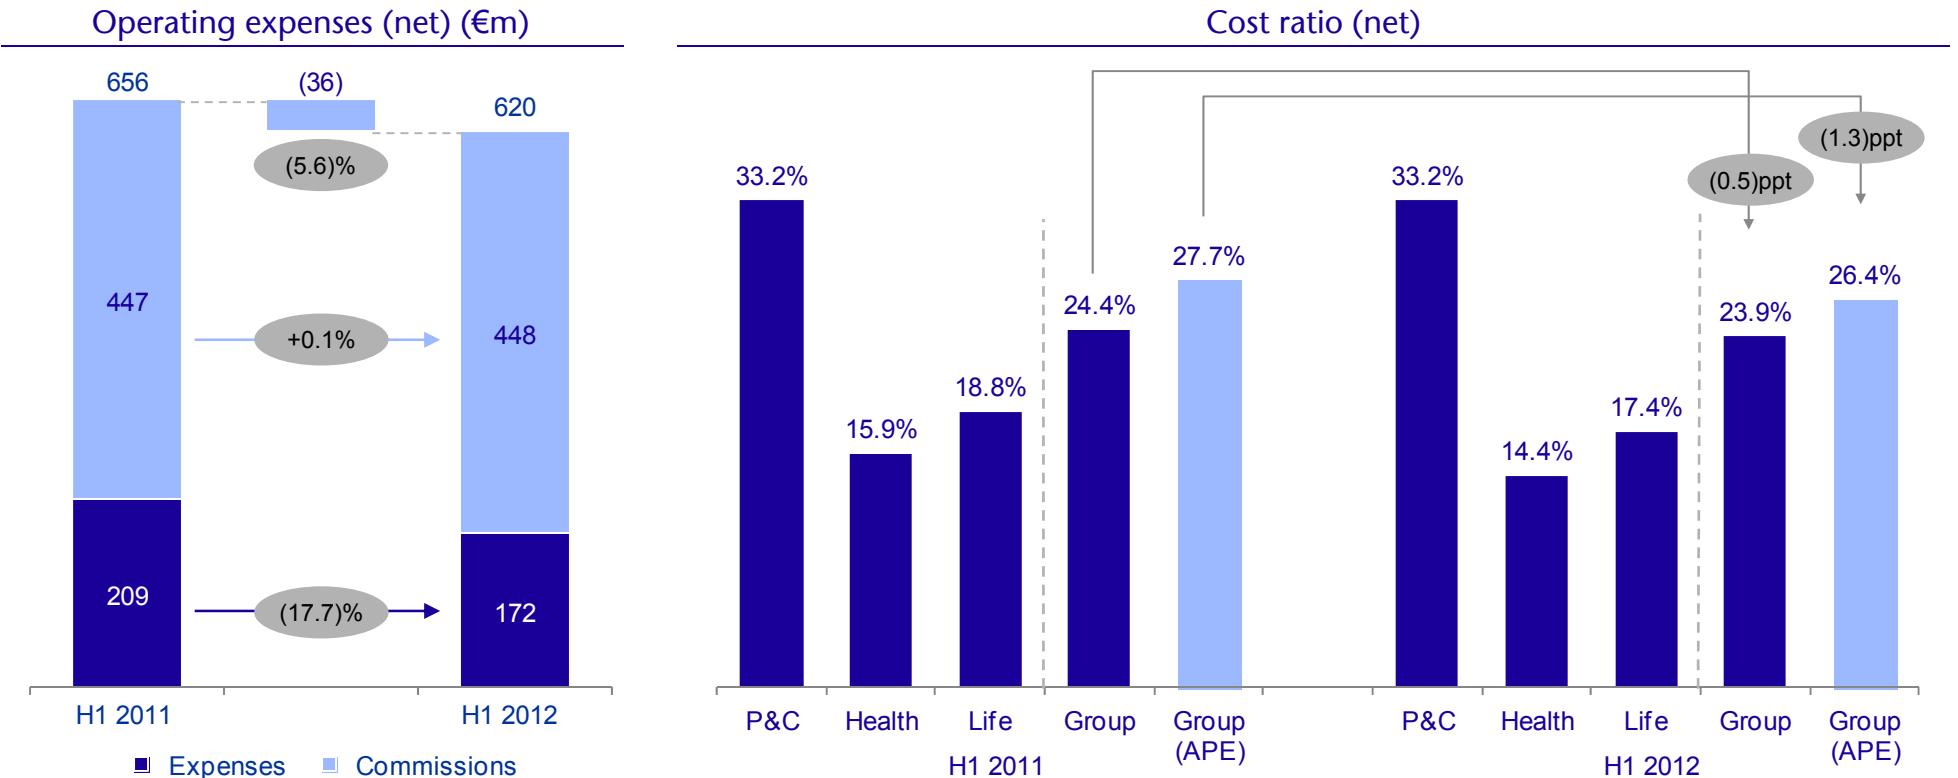

- In Austria, premiums written decreased by 2.0% to €1,897m due to lower single premiums in life insurance
 - Recurring premiums in Austria also declined by 1.9% to €1,838m
 - Single premiums declined by 5.2% to €58m due to the extension of the minimum term with tax privileges implemented during 2011
- In Central and Eastern Europe, premiums written increased marginally by 0.2% to €642m
 - Recurring premiums strongly increased by 6.6% to €585m
 - Single premiums declined significantly (especially in Poland) by 38.2% to €57m
- Premium volume in Western Europe (without Mannheimer Group) decreased by 9.3% to €317m due to a decrease in the Italian life insurance business
 - However, recurring premiums increased strongly in this region and rose by 13.8% to €159m
 - In contrast, single premiums declined by 24.7% to €158m

Recurring premiums by region (H1 2012 vs H1 2011) (€m)

CE = Central Europe, EE = Eastern Europe, SEE = Southeastern Europe, WE = Western Europe

Operating expenses

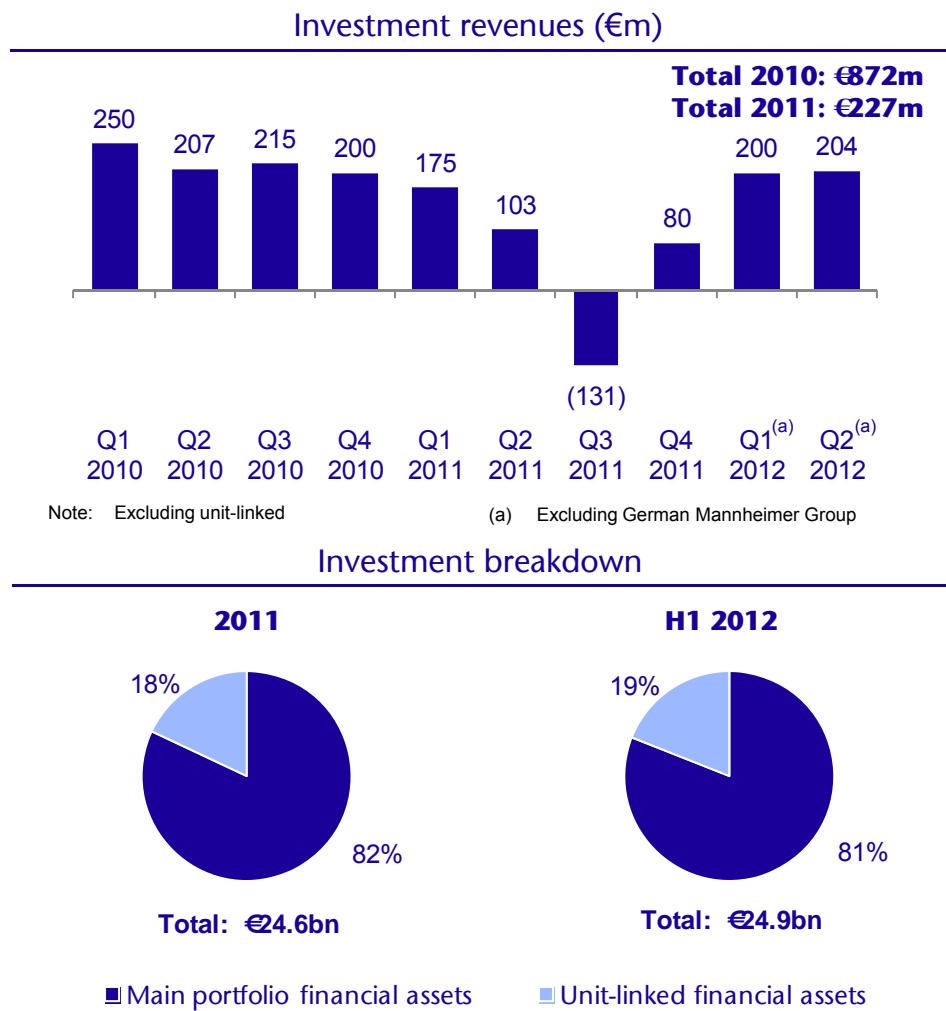

- Total operating expenses for the insurance business less reinsurance commissions received decreased by 5.6% to €620m
- Acquisition expenses remained stable at €448m
- Other operating expenses (administration costs) less reinsurance commissions received declined by 17.7% to €172m
- Due to the reduction of administration costs, the Group cost ratio decreased to 23.9%

Note: Figures in charts are net of the effect of reinsurance commissions and profit shares from reinsurance business ceded amounting to €21.1m

Investment activity

- The net investment income increased by 51.8% to €404m due to good performance on capital markets
- The investment portfolio of the UNIQA Group amounted to €24.9bn at 30 June 2012, an increase of 1.0% compared to 31 December 2011

Outlook for H2 2012

- Stable and sound underlying core operating business despite challenging market environment
- Continuing positive growth trend in P&C and Health partly offsets planned cutback of single premium business in Poland
- Building on a solid operating performance in our core business, we are well on track for 2012
- Ongoing focus on cost optimisation and profitable growth as part of UNIQA 2.0 initiative
- New Group structure and capital markets preparations well under way
 - Contribution in kind of stake in UNIQA Personenversicherung completed in October 2012
 - Preparation for Re-IPO ongoing
